**Greenwood Lake Soccer Club**

Welcome to the Greenwood Lake Soccer Club's new "Online Registration site".

This site will give you the ability to register at your convenience, and not at a time that is usually inconvenient.

We are in the beginning phases of this service, and we appreciate any comments you may have in regards to this new service that will make it better in the future.

We offer the In-House Kinder Kicker program for new players from 3-6, the AYSO Recreation program, and the Hudson Valley Travel Program. Each category has divisions or teams listed for you to register for. If your team is not listed or you are unsure, register against the Open Registration site and we will contact you with team information.

If you have any questions please feel free to contact me via email at [bill@gwlsoccer.com](mailto:bill@gwlsoccer.com).

We hope that this new feature will make registering for our club much easier for you.

Sincerely,  
Bill Sahler  
Coordinator, Greenwood Lake Soccer

The screenshot shows a web browser window titled "League Sports Services - Microsoft Internet Explorer provided by TACR". The address bar shows "https://www.sportssignup.com/lss/family/reg3.aspx". The page header includes "Back Home" and "Greenwood Lake Soccer Club". The main heading is "Registration Step 1 of 3: Session Selection". Below this, a text prompt reads: "For each of your children below, **carefully** choose what you want to register them for. You can enter a comment by entering it in the *Comments?* box." The form contains a "Courtney" label and a "Session:" dropdown menu. The dropdown menu is open, showing options: "-- click here to select --", "-- click here to select --", "2006 / 2007 Hudson Valley Travel Soccer Season", "2006 / 2007 AYSO Recreation Season", and "2006 / 2007 Kinder Kickers Intramural Season". A "Next Step >" button is located below the dropdown. At the bottom of the page, it says "Powered by League Sports Services Providing Club Registration and Management Systems".

Select the available teams in that program. If your child was not on a team in the previous year, select a team that fits their age group, or select the open registration option.  
Press Next when done.

This screenshot shows the same registration page as the previous one, but with more form fields filled out. The "Session:" dropdown is now set to "2006 / 2007 Hudson Valley Travel Soccer Season". To the right of this dropdown, there is explanatory text: "Greenwood Lake Soccer plays a Fall Outdoor season, Winter Indoor season, and a Spring Outdoor season all for one fee. We do not have a separate registration for each season." Below the session dropdown, there are three more dropdown menus: "Division:", "Team:", and "Comments?". The "Division:" dropdown is open, showing options: "Open Registration for new teams", "Under 13 Rockets", "Under 13 Hurricanes", and "Under 14 Bulldogs". A tooltip-like note next to the "Open Registration for new teams" option reads: "If your age group is not available, please register here. We will form teams based on requests received. (Cost: \$105.00)". The "Team:" dropdown is also open, showing the same four options. The "Comments?" dropdown is currently empty. A "Next Step >" button is at the bottom. The footer text remains the same: "Powered by League Sports Services Providing Club Registration and Management Systems".

You will be brought to the Greenwood Lake Code of Conduct agreement section. You must read the agreement, and press accept at the bottom to continue. Disagreement will take you out of player registration.

**Respect Referees:**

In many cases the referees are only 2-3 years older than your child. This is a learning experience for them also, please treat them the way you would want your child to be treated. Lets face it if everyone agreed on everything it would be a much different world, so remember that when a referee makes a call it is a call based on his or her judgment of the situation. Please try to refrain from criticism, or critical judgment on his or her decisions.

**Sideline Behavior:**

Remember, your child is playing soccer to have fun! Encourage them to do their personnel best and set a positive example of good sportsmanship. Your conduct at practices and during games will be the example they will follow. By all means, cheer on your player and team, but lets make it positive. Please refrain from Sideline coaching, players want to do what makes mom and dad happy, and will
